

Make your Saint Valentine unforgettable... Chocolate with red pepper at Caroli Health Club

Be selfish (and different) in Saint Valentine this year with Caroli Health Club...

Surprise your couple with a present that you will both enjoy: a treatment designed only for those bewitched by Cupid's spell...

Start your treatment with the *Rituel d'exfoliation*, an aromatic body peeling, based on fruit powder and essential oils, that will prepare your skin to absorb all nutrients and benefits of cocoa butter.

After the body peeling... enjoy a 30 minutes massage with chocolate cream.

Let your body absorb cocoa antioxidants, rejuvenating and detoxifying your skin, improving blood circulation at the same time and having a deep effect in cellulites.

Take care of your body in a delicious way.

Everything in Caroli Health Club beauty room invites you to relax and go deep into an oasis of peace. The light of the candles and the scent of chocolate fill the room stimulating the production of endorphins that provides energy to your body and mind.

Show how much you love her/him at Caroli Health Club...

Wellness is not only for one, enjoy with your couple of an exclusive beauty treatment in Caroli Health Club.

Lovers who want to share this treatment with his/her partner could do it in our VIP SUITE, where they will drink for they love in our hot tubes.

Caroli Health Club wishes you a happy Valentine's!
